Principal's Message

Welcome to Effingham Heights Primary School, a vibrant and diverse learning community where academic excellence, personal growth, and holistic development are at the forefront of our mission. With a proud pass rate of 99% and numerous accolades across academic and extracurricular fields, our school is a beacon of success and ambition.

At Effingham Heights, we strive to create a nurturing and inclusive environment, serving over 900 learners from various backgrounds. Our focus is not only on academic achievement but also on building character, fostering discipline, and encouraging participation in a wide range of activities, from coding and robotics to sports and cultural programs.

Our dedicated team of educators is committed to providing high-quality teaching, continually engaging in professional development to ensure that our learners receive the best education possible. We have made significant investments in infrastructure, including the lastest interactive boards, air-conditioned classrooms, and upgraded facilities, all aimed at enhancing the learning experience.

As we continue to grow, we remain focused on our vision to develop well-rounded learners who are prepared for the future. I encourage parents and the broader community to join us in supporting our initiatives, especially in our ongoing fundraising efforts so that we can maintain and improve the school infrastructure for the benefit of all stakeholders .

We thank you for your continued trust in our school and look forward to another year of success and collaboration.

Warm regards,
MR. L.PILLAY
Principal
