EXEMPTION FROM PAYMENT OF SCHOOL FEES

The South African School's Act makes provision for the total, partial or conditional exemption of school fees for parents who are **unable** to pay compulsory school fees. As the calculation for the various exemption levels are quite complex, it is advised that parents submit documents supporting their claims for exemptions. Application forms for these exemptions will be available from the first week of February 2024. The closing date for applications is 15 March 2024. Parents are requested to personally pick up application forms and drop off completed forms at the **office.** The finance committee/SGB will determine whether you qualify for an exemption.
