SPORT AND CULTURAL ACTIVITIES

At Effingham Heights Primary School,education goes beyond the classroom. We are proud to offer a balanced and enriching learning experience that caters to every aspect of a child's development.

While academic excellence is a cornerstone of our success, we believe in nurturing well-rounded learners. Our school offers a variety of sports such as soccer, netball, cricket, athletics, mini soccer, and mini netball, alongside chess. These activities provide opportunities for learners to develop teamwork, discipline, and resilience. At Effingham Heights, we ensure that every child is given the platform to thrive, whether in academics, sports, or cultural activities.

Choosing Effingham Heights means choosing a school that prepares your child for the future, fostering not only intellectual growth but also social, emotional, and physical development. Our dynamic programs, dedicated staff, and supportive environment are designed to bring out the best in every learner.
